

INTRODUCTION

The DW750KG suitable for belt scales, package systems, small hopper scales, bench scale and postal weighing. Aluminum construction material with IP65 rating. High accuracy & stability & easy to install.

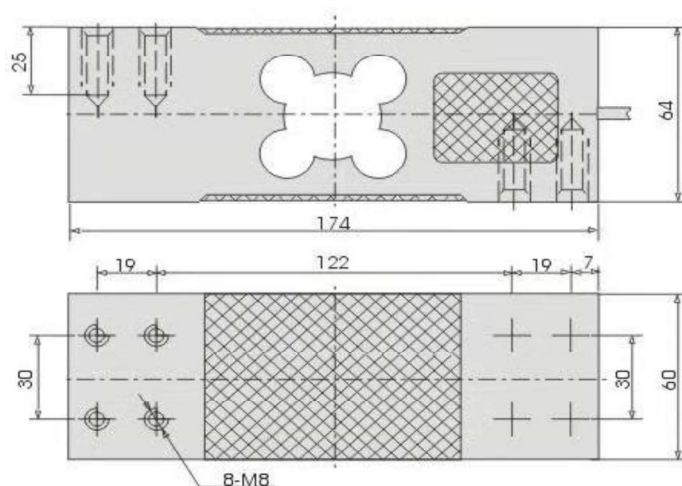

IP65

SPECIFICATION

Capacity Range	30kg ~ 1000kg
Rated Output	2.0mv
Zero Balance	± 1.5% Of rated Output
Input Impedance	405 Ω ± 10 Ω
Output Impedance	350Ω ± 5 Ω
Safe Overload	120%
Rated Excitation	5 - 10 VDC
Safe Temp.Range	- 10 °C to + 70°C
